Gallery Hire

We have 2 large light-filled, sea-facing galleries in a listed building, AF1 and AF2. Each one of these is available to hire for £150 per week **for members** (shows last 2 weeks - £300) and 25% commission, if you are a **non-member or a group** its £250 per week and 35% commission.

If your group comprises 50% Hastings Arts Forum members or more, the charge drops to £150 per week.

We ask for a **deposit** of £150 when you book your show, the balance to be paid 3 months before the show starts. We normally require around 9-12 months' **notice**, but occasionally we have a last minute cancellation.

We can organise your **publicity** for you at a cost of £50; this includes 200 A6 flyers, 20 A5 posters and 4 A3 posters.

The **private view** for shows is normally held on the Friday of the first week and the show is hung on the Monday.

To apply we need 6 good quality jpeg images forwarded to us via email or 6 good quality photographs. These will be seen by the Exhibitions Committee which meets roughly every 6 weeks and artists will be contacted ASAP after that.
